To Whom It May Concern:

First of all, thank you for your continued support of the OPI program. While we're justifiably proud of the metal signage we've been manufacturing for many years, we've completed a review of our product line and the decision has been made to halt the manufacture of all metal signs. The manufacturing facility at Dayton Correctional Institution has closed and the metal signs are no longer available.

However, we're happy to announce that our line of indoor signage, such as nameplates and ADA signs, will still be available for purchase. These product lines have been moved to an existing facility at the Pickaway Correctional Institution.

We certainly appreciate your patronage and look forward to meeting your indoor signage needs. Please feel free to contact me at 614.752.0255 or Rena Chaney at 614.752.0292 to discuss any needs you may have.

Sincerely,

Lori Wallace-Roberts
Sales Manager
